I. Project Updates
    a. Still fighting with the spherical (10 mins)
        i. Worked again for some longer runs
        ii. Functions longer when commands are less frequent
        iii. What describes this behavior?
    b. Test Plan (5 mins)
        i. Need to have it approved
        ii. Should have it put together by Thursday, approved Friday morning and submitted Friday afternoon.
II. Anything else?(5 min)
